EXPERIENCE

Outdoor Ninja | Front-End Developer

SEP 2017 - DEC 2017 | New York, NY

Expanded existing mobile app features by writing and modifying programs using AngularJS, Ionic, HTML, CSS and jQuery.

MindSHIFT Technologies | IT intern

JUNE 2017 - AUG 2017 | New York, NY

Designed, implemented and troubleshot modern networks, virtualization environments, backup solutions both onsite and remote.

EDUCATION

New York Institute of Technology | M.S. Computer Science

MAY 2018 | New York, NY

GPA: 3.76/4.0

University of Mumbai | B.E. Computer Science

AUG 2012 - MAY 2016 | Mumbai, MH, India

Cum. GPA: 7.12

PROJECTS

iBackPackAmerica | MAY 2017 - JULY 2017

Created a user friendly dynamic website where users can post their camping experiences and share stories. Designed it using Node, Express, RESTful routing and used MongoDB and MLab for backend.

Book Explorer App | MAY 2017 - JULY 2017

Created a catalogue of books where a user can browse through different sections and on selecting a book the website redirects to Google Play store where user can purchase the book.

Adaptive E-learning System | JAN 2016 - MAY 2016

Created a website which provides Computer Science course material and tests ranging from beginner to high-level topics. Implemented AI using fuzzy logic to record the reaction of students and their understanding level. The material and tests were then provided according to the student's knowledge and understanding level in that area.

SKILLS

Programming:

JavaScript, HTML, CSS, AngularJS, ReactJS, Node, Express, SQL, MongoDB, ES6, C, Java

Tools:

Visual Studio, NPM, Firebase, Git, Babel, Eclipse

System:

Mac OS, Windows, Linux

COURSEWORK

GRADUATE

Algorithm Analysis

Software Engineering

Artificial Intelligence

Database Management

Operating System Security

Computer Architecture

Programming Languages

Java Networking

Biometrics

UNDERGRADUATE

Data Structures

Web Technologies

Object Oriented Programming

JAVA Programming

Computer Networks

Artificial Intelligence

CERTIFICATIONS

Web Developer Bootcamp
